## All Saints Anglican Parish Puerto de la Cruz

**Come and join us in Christian Fellowship. All are Welcome.**

### Notes from the Parsonage by our Chaplain, Rev. Paula.

I hope that you have, or perhaps will have had, a very happy and peaceful Christmas. As I leave for a holiday in the UK on Boxing Day, I have every intention of making Christmas last as long as possible this year, with family visits, presents, tree lights and log fires, and of course the beloved dog. If she behaves true to form, she will pick up the sound of the car engine well before we reach the house, and once she has knocked me over with her welcome she will dance round the garden in sheer delight.

And then the new year will be upon us : a time to look back as well as forward. It's a privilege of my job to remember other people's joys as well as my own during the past year: the couples I have married, the children I have baptised. And to remember too other people's sorrows: the hospital patients I have visited, the bereaved families I have tried to comfort.

And now it's time to look ahead - not a comfortable thing to do when it's all too easy to imagine ongoing political turmoil domestically and great uncertainty internationally. One certainty, unfortunately, is that the harm we have done to our planet will be increasingly evident. If prayer is your thing, then pray for the leaders of all the nations to have the will to address climate change more effectively. If new year resolutions are your bag, then maybe resolve to support organisations that are working to halt the damage.

And then if the Scottish dancing on New Year's Eve doesn't appeal, how about using this Irish prayer for yourself and those close to you:

May there always be work for your hands to do, May your purse always hold a coin or two. May the sun always shine upon your window pane. May a rainbow be certain to follow each rain. May the hand of a friend always be near. And may God fill your heart with gladness and cheer.

Do come and join us in 2019.

Ven a celebrar con nosotros en 2019.

You will be assured of a warm welcome, some stimulating discussions and Christian Fellowship.

## Bodas & Bautizos – Weddings & Christenings

La Iglesia de Todos los Santos está disponible para los Bautizos y las Bendiciones del Matrimonio. No hay que ser miembro de la Iglesia Anglicana para recibir una misa de bendición o bautizar a sus hijos en nuestra Iglesia. Es una opción para las parejas y padres que buscan una boda o bautizo con un aire internacional, o las que vienen de diferentes religiones etc. Por favor, no duden en ponerse en contacto con nuestra Sacerdote Paula si piensan que esto podría ser una opción para ustedes.

### Todos son bienvenidos en nuestra Iglesia

All Saints Church is available for christenings and wedding blessings. You do not have to be a member of the Church of England to have your marriage blessed or your children christened here. This is an option that is particularly popular with couples and parents who are from different religious backgrounds or who are looking for a service with an international flavour. Please do not hesitate to get in touch with the chaplain if you think this might be a possibility for you.

## The Who's Who Corner - An All Saints warm welcome from Carole Urch

Kit and I came to Tenerife in 1986 and joined the church a couple of years later. We got to know the Rev. Terry Spong and his wife Mabel quite well. When I invited them for a meal one evening, Mabel discovered I could sew, and I was asked to join the 'work party' on a Thursday morning. We are still active! And we would love some new members. There is tea and coffee, and quite often something special if someone has a birthday.

Mabel also introduced coffee and biscuits after the 11 o'clock service with a rota, and when there were 5 Sundays in the month, we did a roast lunch. Coffee and mince pies were also served after the Carol service. That was before the days of the Iceland store, so several of us ladies, ( and one gentleman ) made them. Thank you, John.

I can't remember when I became a sides person. I enjoy having a chat with the holiday makers and welcoming them to church . Tidying up afterwards is often interesting. There are always the usual umbrellas and spectacles, but how do people manage without their walking sticks and keys?

### Living out our Faith

#### The Christian life is shaped around loving God and loving our neighbour

Christians believe that love is at the heart of God's will for our lives – love for God and love for others.

Jesus was once asked to name the greatest commandment. His reply - known as the 'Summary of the Law' - was this:

The first commandment is this:

'Hear, O Israel, the Lord our God is the only Lord. You shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength.'

The second is this: 'Love your neighbour as yourself.' There is no other commandment greater than these. On these two commandments hang all the law and the prophets.

Loving God and loving your neighbour belong together, and the best, most fruitful life is lived in loving communion with God our Creator, as well as with our fellow human beings.

Our lives need to be shaped in a rhythm of worship and service: love for God and love for others.

### Notice

Father Tim and his wife Gill will be with us whilst Rev. Paula is on holiday in the UK until 15<sup>th</sup> January. He will be taking all the services and the bible study on January 9<sup>th</sup>. We are looking forwards to having them with us again at All Saints and hope they have an enjoyable stay.

Una hora para rezar, cantar y contemplar en silencio la obra de Dios, rodeado por velas y en fraternidad Cristiana. Una misa Taizé en Castellano, Latín, Inglés, Francés y Alemán.

Taizé prayer is the creation of a monastic community in Taizé, France, founded in the 1940s by a Swiss man known as Brother Roger. Brother Roger was especially interested in bringing Catholics and Protestants together.

"It is a time to rest in God, to let the words listened to and sung penetrate one's being." So, says Brother John, a Taizé monk, in lectures and writings explaining what the service is all about.

There is no preaching, no teaching, no talk of sin or repentance or forgiveness. There is just this elegantly simple service: short chants, often in Latin, repeated over and over in the candlelight. Plus, some short Scripture readings or psalms, accompanied by candles and short periods of silent pray, where we lift our hearts and innermost thoughts and praises to God.

### All Saints Cottage Repairs 2018

The Repairs to the cottage roof have now been completed. The repairs were funded entirely by part of the Legacy left by Jack and Iris Myers to All Saints Church in their will.

The rather inclement weather at the beginning of the building works slowed the initial progress, but repairs have been finished on time. The roof was completely stripped down, re-sloped and repaired with high quality roofing materials. It is hoped that the new roof will prevent any further leaking and damage to the internal walls and ceilings of the cottage. The building company, Jesus Carmelo Anceume builders, have provided a very professional service.

A Plaque remembering Jack & Iris's generosity to All Saints will be placed on the cottage wall.

### Candlemas will be celebrated on February 3<sup>RD</sup>

Come and join us in Christian Fellowship

#### What is Candlemas and what are its origins?

Candlemas, before it was converted to a Christian festival, was originally a pagan festival of light as it fell exactly midway between the winter solstice and the spring equinox. It is held in February to commemorate the purification of the Virgin Mary (after childbirth, according to Jewish law) and the presentation of Christ in the Temple, although originally it was also the time when the years' supply of candles were blessed.

Simeon called Jesus "a light to enlighten the Gentiles." Accordingly, this day was made into Candlemas, a feast of candles. The warm candlelight is meant to be a tangible reminder of that greater light which, for and beyond all time, radiates from the figure of Jesus. We are reminded of the need to be prepared to burn brightly ourselves in the midst of this dark world. We take a light away this morning, it is not our own light, no light of our own would be bright enough, rather it is the light of Christ. The light which at the beginning of creation shined in the darkness and which no darkness could overcome. Jesus was a light to lighten the gentiles, all the nations and races and culture of people.

### Prune and Plant : Dorothy Charnock - Three decades dedicated to All Saints gardens

It is impossible to do justice to the years of tireless dedication Dorothy has spent in the gardens of All Saints in a few short paragraphs. Having spent 32 years in Tenerife volunteering at All Saints, Dorothy has weeded, pruned and planted more plants than any of us could dare to imagine. She remembers her early gardening days in All Saints. She was approached by the Chaplain's wife, Mabel, and asked if she would like to help as she was one of the younger members of the congregation. Together they dug out all the plumbago plants and their enormous roots in front of the parsonage. After a week of digging they finished in a trench so deep the Chaplain asked if they were trying to reach Australia!

Dorothy is also a keen animal lover, her first love being horses, which she kept in England. She volunteered at an animal shelter in Puerto for many years and is a true lover of all God's creatures. Our current Chaplain Paula has been the grateful recipient of one of Dorothy's little charges, a stray Siamese cat, called Bonnie. She is a delight to us all and an excellent lizard catcher! (The cat not the Chaplain).

It is thanks to all our volunteer gardeners like Dorothy, who dedicate so much time and effort in tending All Saints gardens that we are all able to enjoy a little piece of God's Paradise here on earth.

**Thank you, Dorothy, for all your many years of hard work and Service. May God Bless you always.**

### All Saints Parish Funding or Stewardship Programme

Dear Friends,

Many people recognise the importance of All Saints in Puerto de la Cruz, and it is a real privilege to be called to serve as Treasurer in such a vibrant church at the heart of the British and wider community. I am committed to helping our richly gifted church family revitalise the church, and strengthening our finances is the next step in our journey. The Parish Funding Programme offers the opportunity for those who currently give to review their individual commitment and for others to join them as regular or one-off donors. With your support, we will achieve our vision and lay strong foundations for the future.

Cheryl L. Douglas – Treasurer

#### How you can help

- If you are not yet a regular giver to the Church, please pray about whether you could consider regular, planned giving.
- If you are an existing regular giver, please consider increasing your gift.
- Consider leaving a bequest or legacy to All Saints Church in your Will.
- If you are a visitor or swallow and wish to give regularly to All Saints via a UK bank, if possible, please make your giving by Standing Order by completing a form and returning it to your bank.
- Take advantage of Gift Aid by signing the declaration form, this will increase your gift by 25%.

#### Our Future

We have a vision of spiritual growth of our church, an increase of both our charitable giving and our community outreach. All Saints is funded 100% through service offerings, donations and legacies, fundraising activities and rental income. We receive no funding from the UK or the European Diocese. What we require is faith, boldness and generosity in our giving according to our circumstances. I am certain that by God's grace and our commitment we will find the resources to lay hold of these opportunities.

#### Our Prayer

Heavenly Father, thank you for the gift of life, love and your Son, Jesus Christ. Help us to be generous in return and support All Saints Parish as it seeks to serve you and proclaim the Gospel afresh to each generation.

#### Our Vision

To be a lively, loving church, that is valuable to our neighbours, the British and wider community in Tenerife, our visitors and swallows. We hope to work upon increasing our charitable giving in 2019 and share with those less fortunate than ourselves in our community and around the world.

We aim to be a welcoming and inclusive church family, without walls to the community, spirit led, bible focused, gospel shared, and Jesus centered.

#### Our Mission

- Create worship that is accessible to people of all ages and stages of faith, and to those who are searching or unsure.
- To create opportunities for outreach with youth, families and the elderly.
- Improve and maintain the Church Buildings and our facilities for church and community events.
- To form part of the British and wider community in Tenerife, offering support and Christian fellowship to all.

Finally, a huge thank you – giving and gratitude go together. We give out of gratitude for what we receive from God. Also, we continue to be grateful for those, who, even in these difficult financial times, give regularly and sacrificially to support the work of God and this Parish. If you have any queries regarding donating, gift aid, will bequest and legacies or require a standing order form please contact Cheryl Douglas, the Treasurer after the Wednesday morning 10am or Sunday 11am Sung Eucharist services, or at [cherylloraine172@gmail.com](mailto:cherylloraine172@gmail.com)

### All Saints Charitable Giving 2018/2019

All Saints will continue donating to the charities it assisted in 2018 with the help of all our wonderful parishioners and supporters. These are the following charities we have all assisted in 2018:

The Holy Franciscan brothers of La Cruz Blanca. The Franciscan brothers care for elderly and/or disabled men who are homeless, of reduced means or those unable to care for themselves, providing them with a kind and stable home in a residential care setting. Apart from our donation of 500€, the Harvest Festival food collection for 2018 was shared between the Red Cross (Cruz Roja) and the White Cross (Cruz Blanca).

Centro Educativo Madre Matilde Téllez. This day centre for children between the ages of 4-17, is based in Puerto de la Cruz. It is run by the holy order of Hijas de María Inmaculada and was re-opened in 2016 to help children at risk of marginalization, poverty and social exclusion. It is an honour for all of us at All Saints to support the amazing work done by these wonderful ladies, who offer educational support, social skills and pastoral care to the children. All Saints parishioners and supporters donated 500€ to this worthy cause.

The British Legion. Once again there was an exceptional turn out by All Saints parishioners and supporters for the Remembrance Day Service. A special mention must be made to the ladies in the All Saints Sewing Circle. Their splendid knitted poppy cascade added a special touch to the moving service delivered by the Revd. Dr. Paula Clifford. The Service Collection raised 605€ for The Legion.

The Red Cross. Parishioners and supporters of the Red Cross, La Cruz Roja, donate weekly food supplies for those in need. A wicker basket inside the church is there for this purpose. We thank all of those who contribute food stuffs to this cause. All Saints also donated 300€ to the Red Cross as part of its annual Charitable giving.

Christian Aid. 2018 saw the beginning of All Saints move towards a more outward looking vision of Christian charitable giving. Whilst we are aware of the needs of the many charities in the Canary Islands, we believe that it is our duty as Christians to consider the needs of people all around the World. Christian Aid aims to expose Worldwide poverty. All Saints parishioners and supporters donated 500€ to Christian Aid in 2018.

The Chaplaincy Council is committed to increasing charitable donations in 2019. Special Services will be held during the year, and collections will be made to mark Special Events, World Emergency Giving and particular Charity Giving Days. Your continued financial support and prayers for these endeavours will be gratefully received.

**Almighty God, mindful of your extraordinary goodness to us, we dare to ask for more. Help us to grow in discipleship, share our faith with those around us and help those in need to see your kingdom come on earth as in heaven. May your Holy Spirit equip us to make a difference in our community. We ask this not for our sake but for the glory of Jesus, our Saviour and Lord. Amen.**

**May God Bless you for sharing your gifts with those in need in our Community and Around the World.**

## Christians are called to work and pray for God's kingdom

Of all the names used to describe followers of Jesus Christ, the one that has really stuck is 'Christian'. To follow Jesus means to be like Jesus. How else will people see Jesus except in and through us?

In Jesus, God's rule of justice and peace is come among us. So, to follow in his way means living under God's rule and praying constantly – which of course also means working constantly – for God's kingdom to come on earth.

On Sunday we gather together as a Church to worship God and to enjoy community together. But on Monday morning we are still the Church. Now we are dispersed to our homes, our neighbourhoods, our places of work and leisure. It is here that we are called to be the presence of Jesus, serving his world and witnessing to his love today.

### Are there daily patterns that help you to follow Jesus?

The Bible even says we are the body of Christ, each with a part to play in God's ministry and mission. Being a Christian should affect our family life and all our relationships. It should affect our priorities and how we use our available resources of time, talents and money. It will change and shape our attitude to work and leisure, and also to the big issues of justice and peace that affect our world.

The Church is the community of men and women centred around Jesus and being his presence in the world. We are called to live for the values and aspirations of God's kingdom as we have been shown them by Jesus.

Part of the mission of the church is to live the ordinary life of human beings... earning a living, bringing up a family, making friends, alleviating distress, mourning, studying, exploring, making music, and so on. Christians will try to do these things to the glory of God... that they will try to perceive what God is up to and will seek to do it with him.

Bishop John V. Taylor (1914-2001)
